## Volunteer

Hawthorne Volunteer since 2014

Days of the week: Wednesday

### **What motivated you to Volunteer at The Hawthorne?**

My human mom brought me into the Hawthorne with her to meet Robin and I knew it was a place I wanted to come and visit every week. I knew right away that Robin was a "dog person."

### **What do you enjoy most about volunteering?**

I enjoy greeting all of the patients and staff, and of course the head and belly rubs. The thing I like most about volunteering is the warm reception I get from people who are suffering and seeing them smile. Sometimes people hold on to me and cry, and that is OK too. I hope I make them feel better.

### **What situation has touched the most?**

Everyone that comes into The Hawthorne has touched my soul. There is a couple that comes in often. When he has chemo, I also get to see him then, and always make a b line for him. We are special friends.

PS: My mom helped me write and type this.
