Hawthorne Volunteer since 2017

Days of the week: Friday

What motivated you to Volunteer at The Hawthorne?

I need help and I wanted to be able to help someone else.

What do you enjoy most about volunteering?

I wanted to see smiles from people who can't smile after they hear the word cancer.

What situation has touched the most?

Being able to talk with people, inspire them, let them know this is not the end, only the beginning!
