Hawthorne Volunteer since 2014

Days of the week: Wednesday

What motivated you to Volunteer at The Hawthorne?

When I was dx with NHL 30 years ago, I attended a support group at JW. A short time later, Robin joined the staff there and the support group grew, and eventually, The Hawthorne was created. While I no longer attend any of the support groups, I volunteer to give back.

What do you enjoy most about volunteering?

I enjoy meeting the patients and their families and support person/people. Sometimes we meet people who are having the worse days of their lives, and it is nice to be able to offer assistance of some kind.

What situation has touched the most?

Everyone who walks into The Hawthorne has touched me in some way. While those of us who volunteer at The Hawthorne is often thanked for helping out in some way, for me it is a privilege to be available to offer that assistance.
