Hawthorne Volunteer since 2001

Days of the week: Tuesday

What motivated you to Volunteer at The Hawthorne?

Hoping I could give a little hope to others.

What do you enjoy most about volunteering?

Seeing smiles on people's faces when they receive a wig, lap blanket, hat, etc.

What situation has touched the most?

Seeing Robin go through her surgery and recovery. I was recovering from cancer surgery myself and seeing Robin working so hard helped me know I could do the same.
