Hawthorne Volunteer since 2001

Days of the week: Wednesday

What motivated you to Volunteer at The Hawthorne?

At the time I saw significant relevance between my own survival journey and to people that would come through The Hawthorne, and I felt a kindred connection that I couldn't ignore

What do you enjoy most about volunteering?

Observing individuals that come in early on in their journey, who present with little or no hope and soon develop bright eyes and smiles and a hopeful outlook!

What situation has touched the most?

Watching people at songwriting concerts, especially kids and their parents.
